**ARMOR OF GOD**

Soccer can be a rough game, but properly prepared with the right equipment and training, a player can play the game unafraid. In life we are in the midst of a spiritual battle that can be rough. God prepares and equips Christians to live unafraid. Sinners fear a holy God but in his great love he covers us in Christ's righteousness and forgives our sins. Instead of enemies of God, by faith in Jesus, we have been made members of his team. The LORD gives us the victory in Christ and equips us to take on ongoing attacks of the devil, the world, and our sinful flesh. The bible speaks of Christians having been given the armor of God to protect us and the sword of the Spirit, the Word of God, so that we may live unafraid as forgiven children of God.

## 212 WELS Soccer Camp

The WELS (Wisconsin Evangelical Lutheran Synod) churches along Hwy 212 are reaching out to the community and are planning to put on a quality soccer camp this summer for all children between the ages of 5 and 13, no matter what skill level or soccer experience.

The children will be divided into four groups based on age: 5-6, 7-8, 9-10, 11-13. The camp will start on Monday and last until Friday, with each session starting at 1pm and ending at 4pm. The camp will be held at Voelz Athletic Field in Danube.

Please send a ball with your child if possible. Some extra balls will be supplied for those who don't have a soccer ball. All children are also required to bring their own shin guards which are mandatory for participation.

212 WELS Soccer Camp will supply your children with a jersey and a water bottle that they can keep even after the camp is through. The cost of this camp will be \$30\* (that includes the cost of the jersey and the water bottle).

If you have any questions please call
